**SPECIAL IRRIGATION PERMIT APPLICATION**  
**SEED & TRANSPLANT ESTABLISHMENT**

This permit application is issued in accordance with Section 5.6.3 of the Rules and Regulations, “Water Use Regulations,” adopted by Eagle River Water & Sanitation District (the \$15 fee is being waived). Special Irrigation Permits for Seed Establishment are issued for 28 consecutive irrigation days, excluding Mondays. Special Irrigation Permits for Transplant Establishment are issued for 14 consecutive days, excluding Mondays. Please complete the following information and return the application to the Water Conservation Officer, 846 Forest Road, Vail, Colorado 81657, by e-mail to [sfleury@erwsd.org](mailto:sfleury@erwsd.org) or by fax to 970-476-4089. Your application will be reviewed, a visit scheduled and, if accepted, a permit will be issued. Please apply at least 48 hours before the permit is needed.
