A regular meeting of the Board of Directors of the Upper Eagle Regional Water Authority (Authority) was held August 18, 2016, at 8:30 a.m., in the Walter Kirch Room of the Eagle River Water & Sanitation District (District), 846 Forest Road, Vail, Eagle County, Colorado, in accordance with the applicable statutes of the State of Colorado.

ATTENDANCE

The following Directors were present, thereby constituting a quorum:

- Tom Allender, EagleVail Metropolitan District
- Geoff Dreyer, Arrowhead Metropolitan District
- Pam Elsner, Beaver Creek Metropolitan District
- George Gregory, Berry Creek Metropolitan District
- Sarah Smith Hymes, town of Avon
- Mick Woodworth, Edwards Metropolitan District

Also in attendance were:

- District Staff
- Linn Brooks
- Carol Dickman
- Catherine Hayes
- Debbie Hoffman
- Diane Johnson
- Siri Roman
- Brian Tracy
- James Wilkins
- Consultants
- Jim Collins, Collins Cockrel & Cole
- Glenn Porzak, Porzak Browning & Bushong LLP
- Public
- Eric Applegate, unaffiliated
- Michael Lindholm, Traer Creek LLC
- Holly Loff, Eagle River Watershed Council

DISCLOSURES OF POTENTIAL CONFLICTS OF INTEREST

The Board noted it had received more than 72 hours prior to the meeting certain disclosures of Potential Conflicts of Interest Statements for the following Directors indicating the following conflicts:

- Directors Allender and Gregory and alternate Director Simmons disclosed that they serve on the Board of the Eagle River Water and Sanitation District. Director Allender also disclosed that he is a former employee of Vail Resorts, which tangentially deals with the Authority and District, as well as being employed part time by SE Group, which does planning and environmental work for Vail Resorts and other ski areas. Director Elsner disclosed her membership with the Vilar Performing Arts Center Guild, which operates within the Authority’s service area. Director Gregory also disclosed that he occasionally undertakes small development and construction activities within the Authority and District service areas. Alternate Director Simmons noted he serves on the Edwards Metropolitan District board and is employed by Beaver Creek Metropolitan District, an Authority member. Director Woodworth disclosed that he is employed by the Eagle River Fire Protection District, which operates within the Authority’s service area.

CALL TO ORDER

Chair Gregory called the meeting to order at 8:30 a.m.

INTRODUCTIONS

Ms. Brooks introduced Holly Loff, executive director of the Eagle River Watershed Council (ERWC) and guest Eric Applegate, who disclosed no affiliation.

ACTION ITEMS

Consideration of Minutes – The minutes of the regular meeting of July 28, 2016, were considered.

Upon motion duly made and seconded, it was unanimously

RESOLVED that the minutes of the July 28, 2016, regular meeting be accepted and hereby are approved as presented.

The minutes of the special joint meeting of July 28, 2016, were considered. Upon motion duly made and seconded, it was unanimously

RESOLVED that the minutes of the July 28, 2016, special joint meeting with the Eagle River Water and Sanitation District be accepted and hereby are approved as presented.
STRATEGY ITEMS

Board Member Input – Ms. Brooks noted the new standing agenda item was added to allow board members input on topics they wished to bring to the attention of the Board.

Eagle River Watershed Council Update – Ms. Roman introduced Ms. Loff and noted the Authority and District have provided annual funding to the ERWC for many years; 2017 funding will again be considered during the upcoming budget process. Ms. Loff summarized the ERWC, which is a 501c(3) nonprofit corporation focused on the health of Eagle County rivers and streams; many of its goals align with the Authority and District’s mission. She described ongoing and upcoming educational efforts and projects spanning East Vail to Edwards; many of these projects are outside the scope of the Authority and District’s services but greatly benefit their customers by improving local stream health and quickly identifying and acting upon emerging stream threats. Ms. Loff said the Authority’s contributions support the ERWC general fund and water quality monitoring/assessment partnership program. She said the ERWC website was an excellent resource for viewing local water quality data, projects, available training, and other items. The Board thanked Ms. Loff for her presentation. A related letter from Ms. Loff is attached hereto as Exhibit A and incorporated herein by this reference.

GENERAL MANAGER REPORT

Ms. Brooks presented her report, a copy of which is attached hereto as Exhibit B and incorporated herein by this reference. The monthly reports were also acknowledged, copies of which are attached hereto as Exhibit C and incorporated herein by this reference.

Traer Creek Tank Update – Mr. Collins said all pleadings were submitted to the court; he is awaiting the court ruling. The remainder of the discussion was reserved for Executive Session.

Mountain Star Tank Update – Ms. Hoffman discussed the tank, construction of which is proceeding smoothly, on time, and on budget. She expects the tank to come online by November.

EagleVail Tank Update – In response to a question, Ms. Brooks discussed recent improvements to piping and electrical elements at the EagleVail tank. Significant excavation took place in the area, as a leak was eventually determined to be in a customer service line connection. Staff took the opportunity to better map main lines in that area as well, and to make improvements that will be needed prior to a future project in the area. Ms. Brooks noted that both EagleVail tanks would eventually require replacement, and staff is exploring the timeline and associated work.

FINANCE REPORT

Mr. Wilkins presented the finance report, a copy of which is attached hereto as Exhibit D and incorporated herein by this reference.

Quarterly Financial Update – Mr. Wilkins discussed the quarterly financials, a copy of which is attached hereto as Exhibit E and incorporated herein by this reference. He noted actual revenues were above those budgeted and said staff would consider weather predictions, among
other items, for the 2017 budget. In response to a question, Mr. Wilkins addressed rollovers for projects that aren’t completed during the calendar year in which they are budgeted. Staff is working on mapping project schedules to better account for annual spending for multi-year projects.

OPERATIONS REPORT
Ms. Brooks presented the Operations Report, a copy of which is attached hereto as Exhibit F and incorporated herein by this reference.

COMMUNICATIONS AND PUBLIC AFFAIRS REPORT
Ms. Johnson presented the Communications and Public Affairs Report, a copy of which is attached hereto as Exhibit G and incorporated herein by this reference.

Shoshone Hydroelectric Power Plant – Ms. Johnson noted the Shoshone Hydroelectric Power Plant was online and the Shoshone call was again effective on the river; the plant was offline August 1 – 17, at which time the Shoshone call was not in effect.

Ballot Measures Update – Ms. Johnson discussed various ballot measures of interest to the Authority and District. She specifically discussed Initiative 96, which would require broader geographic signature gathering for amendments to the state constitution.

Educational Opportunities – Ms. Johnson discussed various local and statewide opportunities for directors to learn more about water. Dates and details were available in her written report.

GENERAL COUNSEL REPORT
Avon Drinking Water Facility Ground Lease – Mr. Collins reported that the ADWF ground lease was proceeding smoothly. The second reading before the Avon Town Council is scheduled in September. The amended lease includes the land on which the ADWF currently encroaches.

Traer Creek and Pressure Reducing Valve Project – Ms. Hoffman updated on the status of the pressure reducing valve (PRV) project, which will add a PRV to the Bachelor Gulch regional tank to give the Authority some additional capacity for service in the Avon, EagleVail, and Traer Creek areas. The Authority is currently limited as to the number of SFEs it can serve in that area due to the Traer Creek tank failure. Mr. Collins said the PRV project will be combined with a previously planned Authority booster pump station project for spring 2017, making this the most cost effective option.

WATER COUNSEL REPORT
Member Water Right Reports – Mr. Porzak reported that updates to the Authority member water right reports are underway and noted lower demand per SFE but more water being used Authority-wide. He plans to present the reports to the Board in September.

At 9:04 a.m., Ms. Loff and Messrs. Applegate and Lindholm left the meeting.
EXECUTIVE SESSION

Mr. Collins requested the Board enter into Executive Session to receive legal advice regarding Traer Creek Tank matters and the Lake Creek Wells, pursuant to §24-6-402(4)(b) and (e) C.R.S. He asked that no electronic record be made, as the discussion would be entirely privileged attorney-client communications. Upon motion duly made and seconded, it was unanimously RESOLVED to enter Executive Session at 9:05 a.m. to discuss attorney-client privileged issues concerning the Traer Creek Tank matters and the Lake Creek Wells, pursuant to §24-6-402(4)(b) and (e) C.R.S. with no electronic record created as Mr. Collins opined the contents of the discussion would contain privileged attorney-client communications.*

Mr. Porzak requested the Board continue Executive Session to receive legal advice regarding the Lake Creek Wells, Eagle River MOU and CRCA matters, pursuant to §24-6-402(4)(b) and (e) C.R.S. He asked that no electronic record be made, as the discussion would be entirely privileged attorney-client communications. Upon motion duly made and seconded, it was unanimously RESOLVED to enter Executive Session at 9:25 a.m. to discuss attorney-client privileged issues concerning the Lake Creek Wells, Eagle River MOU and CRCA matters, pursuant to §24-6-402(4)(b) and (e) C.R.S. with no electronic record created as Mr. Porzak opined the contents of the discussion would contain privileged attorney-client communications.*

The regular meeting resumed at 10:22 a.m.
ADJOURNMENT

There being no further business to come before the Board, the meeting adjourned at 10:23 a.m.

Respectfully submitted,
