

## AGREEMENT FOR REINSTATEMENT OF WATER SERVICE

This Agreement is between **Eagle River Water & Sanitation District** (“**District**”) and the Customer which is further identified beneath the signature line below as of the date below written and attends to the property also listed below (“**Property**”) to which domestic water service is to be restored.

**NOW, THEREFORE**, District and Customer agree on the representations and terms related to the restoration of water service to the Property, as follows:

1. The District continues to act in the best interest of the health, safety and welfare of all territory within its boundaries and the service area of the Upper Eagle Regional Water Authority, which together comprise a water environment in which the source of water is scarce and can become critical.
2. Customer is aware of the importance of water conservation, the importance of taking appropriate actions as requested by the District in response to drought conditions, and Customer is aware of the Rules & Regulations designed to provide fair and equitable restrictions on water use so as to allocate available water supplies fairly to all Customers.
3. Customer will be present at the appointment to turn water on and will permit access to the water meter at that time to allow the District to upgrade the meter, if upgrades are due.
4. To that end, District agrees to restore water service to the Property and Customer agrees to hereafter conform to the use regulations of the District and Authority and understands that any future violations will result in immediate disconnection and then applicable fines and costs.
5. The Water Restoration Service Fee of \$\_\_\_\_\_ shall be added to the Customer’s monthly bill.
