### Water Use Regulations

- Adhere to the odd/even outdoor water use schedule based on the last digit in your street address.
- The watering day is from midnight to midnight.
- Properties with both odd and even numbered street addresses should contact Customer Service to determine the best watering schedule.
- Hoses must have water-saving shutoff nozzles to prevent free-running water.
- Swimming pools are limited to one filling per year, unless draining for repairs is necessary.
- Water shall be used for beneficial purposes only.

### OUTDOOR WATER USE SCHEDULE

Water efficiency items are available to customers for free at the Vail office

- **OUTDOOR**
  - 6-position garden hose nozzle
  - soil moisture probe, rain gauge

- **TOILET**
  - Dye tablets to detect leaks
  - fill cycle diverter

FOR MORE INFORMATION:
Call 970-476-7480 or visit erwsd.org
@VailCOwater
1. Prevent water waste
   • Use a shutoff nozzle on hoses.
   • Minimize evaporation by watering when winds are calm and temperatures are cool—typically early morning and evening.
   • Install a rain shutoff switch.
   • Adjust irrigation schedules at least monthly, based upon weather and plant needs.

2. Ensure irrigation systems are efficient
   • Check lines for breaks and leaks.
   • Test sprinkler heads for breaks and blockages.
   • Adjust sprinkler heads to avoid watering pavement or structures.
   • Check system settings after power outages.

3. Get the most from water used
   • Limit turf area by incorporating native or adapted water-wise plants.
   • Keep soil healthy and aerate lawns.
   • Use non-combustible and aerate lawns.
   • Incorporate swales and berms into landscapes to slow runoff and prevent it from leaving yards.

Special Irrigation Permits allow for consecutive-day irrigation, excluding Mondays. When available, permits are issued for the following uses:

- **Newly-seeded areas**: Allows for 28 consecutive days excluding Mondays.
- **Newly-planted sod, annuals, perennials and woody plants**: Allows for 14 consecutive days excluding Mondays.

Apply for a Special Irrigation Permit online at erwsd.org. The application must be received by Customer Service at least two business days prior to the date the permit is needed.

- There is a $25 fee per permit that will be placed on the account.
- During a water supply emergency, all permits become invalid and outdoor water use must stop.

**CALL 811 BEFORE YOU DIG**

Call 811 before every digging project. Whether planting trees or shrubs, building a deck or fence, or installing a mailbox; don’t make a judgment call, make a phone call. Call 811 two to three business days before digging to have underground utilities marked.

**Flagrant waste or runoff, plus other violations of the Water Use Regulations, results in the following citations and fines.**

<table>
<thead>
<tr>
<th>Offense Level</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>1st Offense</td>
<td>Warning letter and phone call</td>
</tr>
<tr>
<td>2nd Offense</td>
<td>$100 fine, letter, and phone call</td>
</tr>
<tr>
<td>3rd Offense</td>
<td>$500 fine, letter, and site visit</td>
</tr>
<tr>
<td>4th Offense</td>
<td>$500 fine and disconnection of water service</td>
</tr>

Your landscaping choices are directly connected to local stream water quality.

Reduce outdoor water waste to leave more flow in the streams and prevent runoff from carrying pollutants into waterways.

Create defensible space to protect your home from wildfire. Contact your local fire department for more information.

Please call 970-477-5451 to report Water Use Regulations violations.
