<b>E-Mail:</b> _____	<b>E-Mail:</b> _____

I verify that the above stated square footage complies with the Eagle River Water & Sanitation District's Rules and Regulations. The square footage stated above is based on the gross square footage inclusive of outside wall to outside wall, unfinished areas, mechanical rooms, storage areas and basements and attics over five feet high. In multi-unit or mixed-use facilities, common space is also included. I understand that Eagle River Water & Sanitation District has the final judgment on the property's square footage calculation and meter size. I also understand that the Tap Fee Connection Rate Schedule can be found under Appendix A of the district's Rules & Regulations. I understand that the fees due are based on current fees (as shown in Appendix A) for the calendar year in which payment is received.

I confirm that I am aware of the Eagle River Water & Sanitation District's Rules & Regulations for Water and Wastewater Service Construction Specifications. These specifications can be found at [www.erwsd.org/resources/rules-regulations](http://www.erwsd.org/resources/rules-regulations).
